BILLED USOC	DESCRIPTION	UNE ELEMENT	BILLING SYSTEM
			CRIS
	All charges billed as Resale/TSR		

NOTES:

AT&T ordered flat-rate lines for UNE.

BellSouth provisioned message-rate lines for UNE in accordance with BellSouth's position that all UNE is message-rated.

BellSouth billed the UNE lines as message-rate resale.

AT&T position:

- AT&T ordered UNE
- If BellSouth is billing UNE as resale, AT&T expects the lines to be billed as flat-rate.

May 15, 1998

Ms. Foster Haley
BellSouth
Account Executive
1960 West Exchange Place, Suite 200
Tucker, Georgia 30084

Dear Foster,

AT&T has reviewed the 4/20/98 UNE bill. Despite working with BellSouth since October of last year to resolve UNE-P billing issues, AT&T has yet to receive a complete and correct bill. This memorandum summarizes the errors we have found in the 4/20/98 UNE bill. As we move forward with our UNE-P testing, it is imperative that BellSouth commit the resources and work expeditiously to correct the inaccuracies in billing. Your immediate attention on this matter is appreciated.

BAN 305Q909091091

Charges for Local DA, Local DACC, Local Switching, Interoffice Transport and Tandem Switching billed in the Other Charges and Credit (OC&C) section of the bill. Rates and volumes (# occurrences) are shown for Local DA and Local DACC. However, the bill still does not reflect the minutes of use nor the rates for any other elements, specifically for local switching, interoffice transport and tandem switching as required by Section 2 of Attachment 6.

- The rates applied to each earning number for the Unbundled Loop and Unbundled Port are correct; however, not all earning numbers received charges for both the loop and the port. Specifically, the loop charges are missing from 305-670-2330 (the second line, 305-670-2929, is also missing the loop charge).
- A hunting charge for earning number 305-670-2330 still appears on the bill. As a feature of the local switching element, there should be no charge for this capability.
- The \$.51 franchise charge still appears on earning number 305-774-0264

BAN 561Q909091091

- The bill does not reflect the minutes of use nor the rates associated with the charges applied for local switching, interoffice transport and tandem switching as required by Section 2 of Attachment 6.
- Billing errors specific to earning numbers are as follows:
 - 561-488-2973 – No loop charge applied for the second line
 - 954-680-8557 – Incorrect port charge of \$8.68; no loop charge applied

BAN 904Q909091091

- LNP and UNE charges on this bill; the LNP charges must be moved to separate BANs.
- Charges, volumes and rates for Local Switching, Interoffice Transport and Tandem Switching are not shown in the OC&C section of the bill as required by Section 2 of Attachment 6.

BAN 502Q909091091

- The bill does not reflect the minutes of use nor the rates associated with the charges applied for local switching, interoffice transport and tandem switching as required by Section 2 of Attachment 6.
- Billing errors specific to earning numbers are as follows:
 - All earning numbers are charged \$18.00 per loop; correct price is \$20.00 per loop
 - 502-244-3230 – Should not be charged for Non-Pub (\$3.16); No loop charge applied.
 - 502-292-0337 – No port charge applied.
 - 502-412-0758 – No loop charge applied to second line.
 - 502-585-4199 – No port charges applied to any of the lines (3 total).
 - 502-585-4566 – No port charges applied to either line.
 - 502-585-5897 – No port charges applied to either line.
 - 502-633-1208 – Should not be charged for mileage zone (\$2.60)

BAN 615Q909090288

- UNE-P still billing as resale under the resale BAN. Also, resale charges applied are measure rated. We are purchasing UNEs and should pay UNE rates, not resale rates.
- Earning number 615-242-6856 billed for two lines; only one line exists on this account.
- Earning numbers 615-790-3742 and 615-868-9610 billed \$5.00 for FCC toll access charge instead of \$3.50.
- Earning number 615-868-9610 billed for Inside Wire Maintenance Plan; Plan not ordered.

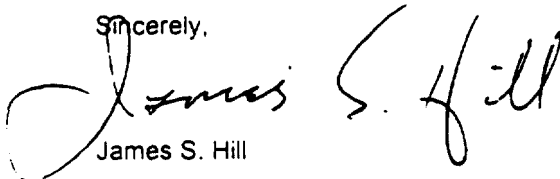

BAN 770Q909091091

- Billing not received for earning number 770-321-5668.

Please provide BellSouth's timeline for permanently resolving each discrepancy by Wednesday, May 20, 1998.

Questions can be directed to me on (404) 810-4929.

Sincerely,

James S. Hill
